Ready to move forward with candidates after initial screening?

Depending on where candidates are in your recruiting process, you may want to utilize Live video interviewing for a more in-depth interview.

These real time virtual interviews provide more insight than a regular phone interview, and are also:

- Branded for your organization
- Accessible via Browsers (no app needed on desktop/laptop)
- Accessible via Mobile Devices
- Recordable
- Shareable

Follow the instructions for a successful Live Interview

Input your name to join the Live waiting room

Configure your devices so you can see/hear yourself

Waiting Room

W

Waiting for someone to join the interview...

Once another person joins we will connect you

If nobody is joining the interview,
contact the organizer.

Once more than one person has joined the call, you'll be taken into the Live Interview room

Live Interview Room

Switch audio to phone

1. Dial your preferred number
 - San Francisco, US +1-415-801-8331
 - New York City, US +1-646-832-2252
 - Mexico City, MX +52-55-5351-6928
 - City of London, GB +44-23-8214-8290

[Other international numbers available](#)
2. Enter access code
 - Access code: **046495**
3. Click "Switch audio to phone"

By selecting this option your computer audio will be muted. This helps prevent echo.

Cancel Switch audio to phone

In case of any audio difficulties, participants can call the provided conference numbers

Top Tips

Systems Test

Click on the provided System Test link ahead of time to configure your equipment.

Live Lobby

Take some time to finish configuring devices and confirm participant names.

Conduct Live via Mobile

All interview links are accessible via iOS and Android devices. Participants will be prompted to download the free Wepow App.

Record & Share

Record any Live interview to refer back to and also share with other members of the hiring team.

Best of luck!

Feel free to contact your Client Relationship Manager for additional best practices and tips!

Make interviewing simple.
