## Welcome to Wepow

Your "Home" page is where you will be able to see information regarding your latest interviews and take quick actions like inviting a new candidate or sharing video responses with your team.

# Recent pre-recorded interviews widget

In this module you will be able to:

## Create new pre-recorded interviews

Start creating a new pre-recorded interview fast and easy.

## Invite Candidates

Add candidates to an existing pre-recorded interview.

## New completed interviews widget

Start collaborating with your team

### Review candidate responses

When candidates complete their interviews, you'll see them here.

### Share candidate responses

Click on the share icon and ask your coworkers to evaluate a candidate.

The screenshot shows a widget titled "New completed interviews". It contains a candidate profile for "John Doe", Sales Manager, with a profile picture. A share icon (a square with a circular arrow) is located to the right of the profile. This icon is highlighted with an orange circle, and a large orange arrow points from the bottom left towards it. The widget is flanked by light blue left and right navigation arrows.

## Recent live interviews widget

Quickly schedule a live interview

### Create new live interviews

Review your most recent live positions and create a new one with just one click.

### Schedule new meetings

Click on schedule new interview and add the time and participants details of your next meeting.
